United States v. Zvi Zigelman, 23-cr-65

Dear Judge McMahon:

We write to respectfully request an approximately 60-day adjournment of Mr. Zigelman's sentencing, which is currently scheduled for June 8.

Counsel for Mr. Zigelman is working on putting together Mr. Zigelman's sentencing submission and needs additional time for certain parts of it to be completed by third parties—including a forensic psychiatric report that we think will be relevant to the Court's exercise of its § 3553(a) discretion. We therefore respectfully request an approximately two-month adjournment to allow sufficient time for this work to be completed.

This is Mr. Zigelman's first request for an adjournment of his sentencing. I have spoken to the assigned AUSA and she has no objection to this request.

Respectfully submitted,
/s/
Gedalia Stern
